Help Sought in Wallet Theft Here

A baffling wallet disappearance in Albany March 19 has prompted Police Sergeant Carl Lindh to appeal to the public for information leading to the recovery of the wallet, which contained between \$400 and \$450.

Charles Radisky, 6325 Fairmount, El Cerrito, was shopping in Albany and apparently lost the wallet in the vicinity of Solano and San Pablo.

Before he returned home and discovered it was missing, his wife received a phone call from a young girl who said she had the wallet and the money and would be at the corner of Solano and San Pablo with it. Mrs. Radisky and her grandson drove to the area and saw two young girls, one of whom had a wallet in her hand. By the time they circled the block, the girls were gone.

Lindh, who is juvenile officer for Albany police, is seeking the two girls or anyone who has information relative to this case. He may be reached at LA 5-7300.

Tree-Planting Meeting Tomorrow Night

All property owners in the 1000 blocks of Peralta, Ordway, Santa Fe, the 600 block of Spokane and all of Madison Street are urged to come and vote for your block tree at 8 p.m. Thursday, March 31, at City Hall.

The meeting is sponsored by the Hill and Dale Women's club and the Albany Park and Recreation commission.

Parker Endorses Howell, Runnion

Dear Citizens of Albany:

I publicly endorse Lewis Howell and Barry Runnion for Albany City Council because of their selfless interest in the affairs of Albany. Having worked five years on the council with Lew Howell, I know him as a very capable councilman who works diligently for the good of Albany without regard for his personal interests.

Barry Runnion has demonstrated his interest in civic affairs by his diligent work on many important committees. I believe that Barry will continue to serve the people of Albany in this same positive manner if he is elected to the City Council.

I recommend your votes for Lew Howell and Barry Runnion as votes for continued good government in Albany.

Lions Honor AFS

ALBANY LIONS enjoyed one of the most pleasant evenings of the year last week when two exchange students from the Albany Chapter of the American Field Service addressed their membership. From Albany, Michael Gleason, son of Dr. and Mrs. Richard Gleason of 822 Washington Ave. related his experiences while in Finland. Suntorn Siyarnnork from Thailand gave an excellent account of his country and the people that make up this small nation. So pleased were the Lions with the young men, President Maddox of the local club presented a check for \$100 to the chapter to assist the continuance of the work. Looking on at left is William Woolworth, chairman of the Albany chapter, American Field Service.

New in Square

NEW TENANTS in Albany Square, 600 San Pablo Ave., are, left, Arnold Cody, manager of California Exteriors, and Gordon K. Williams, attorney who was formerly associated with Judge Dugan in El Cerrito.

Other new tenants include Passive Figure Control, owned by Miss Eleanor Mandl; Gordon K. Williams, attorney at law; California Exteriors, Arnold Cody; American Communications Cable company, Robert Ward, and George Tsuchiya, accountant.

School Out Next Week for Easter

Superintendent Kenneth M. Forry has announced that all Albany schools will have Easter vacation all of next week, April 4-8.

As a suggestion to mothers who worry about having the children underfoot, we have extra copies of the Easter Coloring Contest at the Times. That should keep them busy for a few hours.

COUNCIL

MARIN TO HAVE TRAFFIC LIGHTS--GAS TAX FUNDS

The large audience applauded

at Council session Monday night when Mayor Lewis Howell announced that a check in the amount of \$41,389.82 which he had just received from Supervisor Kent Pursel would be used to install traffic signals at Marin school and paving Santa Fe from Solano to Marin.

The check represents Albany's share of gas tax funds, which have previously been used to help finance the Buchanan overpass and Marin extension.

It was also announced that improvement of Cleveland is at the head of the priority list.

Administrative Officer James B. Turner was authorized to retain Leslie Baronian as landscape architect for new city buildings at a fee of \$850.

Following the reading of a communication from Barry Runnion, Jr., chairman of the Dedication Planning committee, Turner was instructed to purchase two fountain refrigeration units, bulletin boards and five lounge chairs with surplus funds from the committee, to arrange for plaques on the fountains indicating they had been donated by "The Citizens of Albany," and to use any money left over to help purchase colored telephones for the various departments, augmenting a fund already set up

for that purpose.

Mayor Howell formally discharged the committee and directed a letter of commendation sent to it.

A letter from City Attorney Saler stating that the printing of the name of the printer on ballots in no way invalidates them but it is the custom not to use the name in other jurisdictions, was filed with the suggestion that the name be eliminated in the future.

Council approved an agreement with Little League and its request for \$400 in budgeted funds.

It authorized the mayor to proclaim April 25-May 1 as "Invest in America" week, referred to the police chief an application for alcoholic beverage license for A. R. and E. E. Sahlberg, doing business as the Palm Gardens, and filed a communication from Saler stating that it is the law of Albany that taxicab companies file their rate schedules before approval of the permit to operate.

Wearry members of the audience and city officials gratefully heard the motion to adjourn at midnight after Bill Johnson had invited everyone to attend Candidates Night at Cornell auditorium Thursday night and Mrs. Dario Meniketti had taken issue with Parker concerning his comments about the public hearing.

INTEREST RUNNING HIGH IN CANDIDATES NIGHT

Coloring Contest Deadline April 8

Children 11 years of age and under have until Friday, April 8, to complete their entries in the Easter Coloring Contest and return them to the firms listed beneath each panel.

BREAKS ANKLE

Robert Yaun of the Brighton Apartments returned from a skiing trip with a broken ankle, but this did not prevent him from showing his slides of Turkey at a meeting of the Live Wires Friday night.

All candidates, opposed or unopposed, will be there except Kay Geering of the school board and City Attorney Larry Saler. Both are unopposed.

Kenneth M. Forry, superintendent of schools, will discuss the school tax measure on the ballot for the April 12 municipal elections.

Candidates who will speak are Lewis M. Howell, Joe Carlevaro, Mrs. Phyllis Lyon, Barry Runnion, Jr., and Eldon A. Wolf, all for Council (two seats open); Ralph M. Jensen, unopposed for police chief; Max D. Kelley, Robert L. Nehls and Charles A. Pinkham, unopposed for full terms for school board.

Each will be limited to five minutes and questions will be invited from the audience.

The public is urged to attend, Johnson, who will be moderator, said.

Standing-Room-Only Crowd Protests Waterfront Plan

It took Albany City Council four hours Monday night to cover items on the agenda, but most of the session—three hours and 15 minutes—was devoted to a public hearing on the proposed General Plan.

4,000 Bees Take Up Residence At Seely Home

What's buzzin', cousin? Bees, that's what . . . a swarm of 4,000 which descended on the Dave Seely home at 953 Hillside last week. Things became pretty hectic for a while.

Mrs. Seely said one morning she was standing at the sink when she saw a black cloud coming toward the house. Later she went out to find a large brown, squirming square of bees, five deep, on the roof. She rushed to the telephone and called police, who referred her to a specialist at the U.S. Department of Agriculture. He came out, took a look, and expressed surprise because bees usually will not lie flat on a roof in the swarming state.

The man explained that when the queen bee leaves the old hive, a new queen takes over. She doesn't care for the old castle so she leads her subjects in a search for a new home. This is called swarming, which Mrs. Seely believes is an apt term. The bees take up temporary quarters and send out scouts to find a new home.

Apparently the Seely roof was the temporary lodging the man told about, although when Seely came home he said, "They've found a nice hilltop home with a view and free rent. They may stay."

The specialist quieted a bad case of nerves by stating that honeybees do not sting in the swarming state. He put a tarp over the swarm to enclose them and put up a hive, hoping they might select it as a permanent home.

The whole business became a "tourist attraction" and fascinated the three Seely children to the point where they began studying everything they could find on the subject of bees.

But one day the bees swarmed off, leaving an empty hive on the Seely roof and a feeling within the family that they had lost 4,000 interesting friends.

Twenty-one persons spoke from the standing-room-only audience, primarily to urge Council to eliminate the waterfront portion of the plan. After the long discussion Councilmen voted 5-0 to instruct City Attorney Larry Saler to draw up a resolution adopting the plan in its entirety.

The motion, made by Councilman George Hein, was amended on motion of Councilman Joe Eggenberger, to include provision for biennial review by the Council.

An amendment proposed by Councilman Richard Clark that a notice on intention to immediately undertake specific study of the waterfront was lost for want of a second after Administrative Officer James B. Turner pointed out that money has been earmarked for such a study to be made once the General Plan is adopted.

Monday's action ended a three-year project by the City of Albany to come up with an acceptable General Plan to serve as a guideline for orderly development within the next 20-25 years. The plan, as was pointed out Monday night, is not a zoning map, merely a concept.

Planner Herman Ruth, who has taken verbal beatings at meeting after meeting and at a hearing before the Planning and Zoning commission, was present Monday night.

Who Spoke

Those who spoke from the audience included Herbert Rubin, 899 Hillside; Mrs. Lynn Reynolds of Berkeley-Albany I.P.A. Council; Mrs. Ruth Meniketti, 951 Kains; Milton Michelson, 1056 Talbot; Ray Redel, 756 Gateview; Catherine Webb, 843 Washington; Richard Goodman, 1028 Tevlin; Ruth Ganong, 710 Hillside; Charles Wells, 1003 Peralta; Eldon Wolf, 1006 Peralta;

Donald Lockwood, Gooding Drive; James Bolman, 411 Stannage; Ann Berry, 965 Ventura; William I. Garren, 1115 Solano; Robert King, 1048 Ordway; Mrs. George Ferreira, 811 Solano; R. G. Buckwalter, 655 Spokane; Jerry Talley, 701 Johnson; Shirley Parr, 957 Hillside; Calvin Russell, 1027 Pomona, and Robert Berman, 1508 Sonoma. Several spoke two or three times.

ture generations, raised ques-
tions as to the legality of bay
fill, urged cooperation with the
Bay Conservation and Develop-
ment Commission, urged Council-
men not to "race into a plan
without considering other cities
on the Bay," questioned Albany's
financial ability to maintain a
park on the fill, asked if Region-
al Parks would accept the land
as part of its system, said filling
the bay would be detrimental to
wildlife and Albany's climate
control.

Attorney's Opinion

Related communications were
read from City Attorney Saler,
who rendered an opinion that the
present filling of the bay is not
in violation of the 1961 Tidelands
grant to Albany; Ruth and
Krushkov, who issued an adden-
dum to the preliminary plan
explaining changes; from 11
members of Albany Bay Commit-
tee urging the waterfront portion
of the plan be deleted; Alan
Cranston, chairman of the State
Lands commission, requesting a
report of Albany's development
plans, and from Melvin E. Lane,
chairman of the San Francisco
Bay Conservation and Develop-
ment Commission, requesting in-
formation on Bay filling plans.

Population density as shown in
the plan was questioned and
some time was spent discussing
the proposed freeway shown in
the present area of the Eastshore
Freeway, but most of the hear-
ing was a steady hammering at
the waterfront concept and ur-
ging Council to adopt the rest of
the plan and eliminate plans for
the waterfront. Most speakers
were applauded.

Councilmen unanimously de-
fended the plan as proposed, al-
though Clark was in favor of
holding a work session and vot-
ing "in two or three weeks."

Mayor Lewis Howell and Park-
er expressed disappointment that
the audience had been loaded
with anti-bay fill people with no-
body having courage enough to
stand up and defend the plan.

"We'll hear from the sidewalk
superintendents tomorrow," How-
ell said. "They'll be critical, but
they don't have the courage to
give their views." He thanked
those who did speak.

LETTER

Editor, the Times:

The time remaining before
March 31 will culminate an effort
unparalleled in the experience of
the Administration. In fact, the
past seven months could be his-
torically one of the biggest gov-
ernment public information cam-
paigns ever undertaken.

As of early March, over fifteen
million people have signed up
for the medical insurance part of

Medicare. This represents over
79 per cent of the nineteen mil-
lion who are potentially eligible
to participate in the voluntary
plan starting July 1, 1966. Each
day we continue to receive a re-
cord volume of mail containing
requests from people who pre-
viously said "no" and now want-
ing to participate. Of course,
in the last week before the dead-
line, we want to be sure that ev-
ery eligible person is informed of
his opportunity to enroll.

This gigantic public infor-
mation job would have been im-
possible without the cooperation
of the press. We want to take
this opportunity to thank you for
he excellent coverage you have
given the program in the interest
of public service.

torically one of the biggest gov-
ernment public information cam-
paigns ever undertaken.

As of early March, over fifteen
million people have signed up
for the medical insurance part of

Medicare. This represents over
79 per cent of the nineteen mil-
lion who are potentially eligible
to participate in the voluntary
plan starting July 1, 1966. Each
day we continue to receive a re-
cord volume of mail containing
requests from people who pre-
viously said "no" and now want-
ing to participate. Of course,
in the last week before the dead-
line, we want to be sure that ev-
ery eligible person is informed of
his opportunity to enroll.

This gigantic public infor-
mation job would have been im-
possible without the cooperation
of the press. We want to take
this opportunity to thank you for
he excellent coverage you have
given the program in the interest
of public service.

Howell-Runnion Rally

READY FOR RALLY — "Howell-Runnion Girls" pose with their candidates outside headquarters at Solano and Key Route Blvd., to call attention to the rally at 8 p.m. tonight at Albany Methodist church. Foreground with sign, left to right, are Sheri Royal, Carmen Johnson and Sharon Hansen, partially hidden. Standing, left to right, are Elaine Moody, Sherry Runnion, Mayor Lewis Howell, Beverly Johnson, Candidate Barry Runnion, Jr., Lynn Howell and Lorraine Bull.

HOWELL-RUNNION RALLY TONIGHT AT M.E. CHURCH

Supporters of the candidacy of initial appearance of the Howell- Mayor Lewis Howell and Barry Runnion Girls are scheduled. The Runnion, Jr., for city council in the April 12 election have an- nounced an old time political rally at 8 p.m. tonight in Fel- lowship Hall of Albany Metho- dist church.

Issues of the current campaign will be discussed, Jerome Blank, chairman, said. Among speak-

ers will be Howell, Runnion and Councilman Joel Parker, Jr. who is not seeking reelection.

NOTICE

The Albany Methodist church in allowing the use of Fellow- ship Hall by community groups does not endorse any political group or candidate. Use of the building is extended as a com- munity service.

Discussions will be frank and there will be a question and answer period. Musical enter- tainment, refreshments, and the

House Parties Among hostesses for house parties for Runnion and Howell are Mrs. Joe Wilson, Mrs. Jim Simmons, Mrs. Sam Dows, Mrs. William Chambers and Mrs. J. Danner. Mrs. Jerome Blank (525- 2240) is chairman of house parties.

Note of Thanks

May I express the sincere ap- preciation of the entire personnel of the Albany Fire Department for the splendid cooperation we have received, especially during the opening of the new fire sta- tion. The tireless and efficient planning of the "Dedication Com- mittee" set a pattern of coordi- nation that was certainly out- standing in its contribution to the success of the entire event.

We are very grateful to the Albany Hospital, Albany Moose 1972, Albany Ladies Auxiliary to the California State Fireman As- sociation, Albany Employees As- sociation, the Albany Eagles, Ex- change Club, Albany City Coun- cil and the other organizations and individuals who contributed so generously.

It is this type of recognition that makes us so proud of being firemen serving the people of Albany.

Respectfully,
GERALD D. BROWNE

TOPS, KOPS

Take Off Pounds Sensibly Group is 18 Years Old

TOPS is 18 years old. This is a milestone for over 110,000 members, most of whom reside within the United States, but not all.
Last year, 1965, 142 weight watchers, dieting, fasting TOPS lost 4,576 pounds to make them KOPS. If some of these abbreviations are confusing to you, as they were to us, let us explain what they mean. TOPS—take off pounds sensibly; KOPS—keep off pounds sensibly.
This is how it works: you are overweight, your clothes don't fit, your mirror must be wrong because you're beginning to take on the shape of a barrel, and your personal pride in appearance is gone. You decide to correct all this and your doctor sets a weight for you to strive for. But, you know that you just can't do all this by yourself, so you look around for a bunch of other obese people.
Don't feel self conscious. Well over half of the population in the United States could well afford to reduce their calorie intake. TOPS helps you do this and it seems to work. Last year the total weight loss distributed among all its members came to the unbelievable total of 400 tons, over a half a million pounds. That's a lot of potatoes and gravy that some one didn't eat.
Last Wednesday, the Albany chapter of TOPS, which meets every week at the Community

Center, held its annual installation of officers. At present there are 22 active members and yearly there is graduation out of the ranks to become a KOPS. This is the goal: to reach and hold the weight established for you by your doctor.
The Albany Community Center and the Alpha Omega chapter of TOPS welcome your inquiry into this organization. Further information regarding TOPS may be had by calling 524-9960 or by con-
